AMENITIES & EVENTS COMMITTEE

Date of Publication: Wednesday 8th May 2024

TO: All Members of the Amenities & Events Committee

Cllr Baker, Cllr Bates, Cllr Bulmer, Cllr Crook (Vice Chair), Cllr Hussey
Cllr A Kenton, Cllr J Kenton Cllr Richter, Cllr Watson (Chair) and Cllr Williams

NOTICE OF MEETING

You are hereby summoned to attend a meeting of the Amenities & Events Committee to be held on Tuesday 14th May 2024, commencing at 19:00 hours in the Guildhall, Fore Street, Chard TA20 1PP.

Neil Bloomfield Proper Officer

PUBLIC PARTICIPATION

Before the meeting there will be a public session to enable the people of Chard to ask questions of, and make comments to the Town Council in relation to the meeting agenda. Questions not answered at this meeting will be answered in writing to the person asking the question, or may appear as an agenda item for the next meeting. Members of the Public are asked to restrict their comments, and/or questions to three minutes

Public Participation Time

This section (at the Chairman's discretion may last up to 15 minutes) is not part of the formal meeting of the Committee.

2024/14 APOLOGIES FOR ABSENCE

Schedule 12 of the Local Government Act 1972 requires a record be kept of the members present and that this record form part of the minutes of the meeting. Members who cannot attend a meeting should tender apologies to the Town Clerk as it is usual for the grounds upon which apologies are tendered also to be recorded. Under Section 85(1) of the Local Government Act 1972, members present must decide whether the reason(s) for a member's absence are acceptable.

2024/15 DECLARATIONS OF INTEREST

Under the Localism Act 2011 (sections 26-37 and Schedule 4) and in accordance with the Council's Code of Conduct, members are required to declare any interests which are not currently entered in the member's register of interests or if he/she has not notified the Monitoring Officer of it.

2024/16 TO RESOLVE TO EXCLUDE MEMBERS OF THE PRESS AND PUBLIC

As certain items are expected to include the consideration of exempt information Full Council is, therefore, recommended to resolve "That, in accordance with Section 100A(4) of the Local Government Act 1972, the public be excluded during the discussion of the matters referred to in the items listed below, on the grounds that they involve the likely disclosure of exempt information, as defined in the respective paragraph of Part 1 of Schedule 12A of the Act, and the public interest in maintaining the exemption outweighs the public interest in disclosing the information".

2024/17 COMMITTEE MEETING MINUTES

To confirm and sign the minutes of the Amenities & Events Committee meeting held on March 12th 2024.

2024/18 MANAGER REPORTS

- (a) **Operations** – To note the Operation Manager's Report (attached) and to consider the recommendations contained within that report.
- (b) **Events** – To note the Event Officer's Report (attached) and to consider the recommendations contained within that report.
- (c) **Revised report** - development of the town market (attached)

2024/19 LIGHTING DESK STAGE – GUILDHALL

This can no longer retain lighting sequences in memory and it is unable to support the more modern low energy LED lighting now in common use. The lack of functionality is impacting use of the hall.

For Council to consider the alternatives and agree to purchase their choice for replacement. (attached)

2024/20 CHARD WELCOME SIGNS

"That Chard Town Council considers working with Chard Rotary Club to improve the appearance the Welcome to Chard signs. That Chard Town

Council purchase the paint, brushes and preparation materials for these improvements. Whilst Chard Rotary carry out the labour for the necessary work”

2024/21 DATE OF NEXT MEETING

The next meeting of the Amenities & Events Committee will be communicated at the May 20th 2024 Full council meeting.

CHAIR / VICE CHAIR:

DATE:

Amenities & Events Committee

Date: 14th May 2024

Title: Operations Manager Report

Purpose of the Report: To provide members with an update regarding the operations of the Amenities Team, Guildhall operation and the progress of ongoing projects.

Contact: Kevin Dyer (kevin.dyer@chard.gov.uk)

1.0 CONSIDERATIONS:

1.1 That the report be noted and the following recommendations be considered.
2.1, 2.2, 2.3, 2.4,2.5, 3.1, 3.2,

2.0 OPERATIONS:

2.1 Devolution Feedback

Devolution Feedback from Steve Fox, Somerset Council. Steve has given an initial overall costing for the maintenance of the open spaces currently completed by Somerset Council in Chard, the estimated cost from Somerset Council is £72,050 this is machinery and equipment only, this is a detailed project that needs to be reviewed and re costed by Chard Town Council

For the Council to create a Task and Finish Group created to complete this work?

2.2 Holyrood Playgroup

It's all to do with the Badger, Badgers again have got under the Playgroup Building and creating damage now to the wooden structure.

For the Council to consider getting quotation's for installing a fence to go around the outside of the existing building, with wire dug deep into the ground to prevent badgers entering.

2.3 Victoria Court, Dangerous Tree's,

Following the email, I sent out last week, Council to consider removing a row of tree's that are on the edge of **Stringfellow Park**, The Trees are leaning towards **Victoria Court** Building and are hazardous to the Victoria Park Property, Car Park, Vehicles and Residents. The work can be included in the budget already set for tree work.

For the council to consider removing the row of dangerous trees using monies set aside in the arboriculture budget.

2.4 Footpath at Bonds Meadow.

After recent rains and further flooding at the Cribbs Close and Bonds Close area, it has been highlighted that a new entrance area has been created entering Bonds Park, this area has not been authorised and has blocked an active drainage ditch,

the results of this activity created further flooding in the area due to excess water being unable to enter the ditch network. This coincides with an access dispute from Blackdown Heights, a footpath has been created which would allow a new path way to join the housing estate from the footpath along the boundary edge of Bonds Park. This area has now been fenced off so nobody can access the path way from Blackdown Heights due to confusion on who owns the hedge line of the existing pathway as Somerset Council are disputing the ownership.

For the Council to consider investigating who owns the Bank and granting access to link the existing Bonds Footpath to the new estate path. This would allow School children to use the footpaths and keep them away from the roads.

2.5 Flooding at Bonds Meadow

I sent an email out on the 7th of May regarding the ongoing problems at Bond Close/ Blackdown Heights area.

For Council to consider creating a Task and finish group to tackle the ongoing flooding problems.

3.0 **AMENITIES:**

3.1 Cemetery

CDS have replied the survey of the North Chapel at the Zembard Lane Cemetery, due to find subsidence within the North Chapel, they have decided to step away from the work, a list of other Surveyors have been created, however the potential costs now to fix the North Chapel is massive.

For Council to consider what are the options to take with the existing North Chapel.

3.2 Allotments

The Central path/trackway of the allotments needs grading and levelling in places an additional stone brought in to fix up the erosion of the track, estimated cost to complete the work £800 for additional stone.

For Council to consider completion of the work required, or a patch repair due to the lease agreement.

4.0 **GUILDHALL:**

4.1 Friends of the Guildhall Charity, Gary Huish to present idea with regards creating a new Charity Group.

Amenities & Events Committee

3.0 St. George's Day Parade – 21.04.24

The St. George's Day dragon themed parade and service took place on Sunday 21st April. We were honoured to have the High Sheriff of Somerset and Deputy Lord Lieutenant present for this, along with Vice Chair of Somerset Council and Mayors of nearby towns. There was a good turn out from the community, including from groups such as Girlguides, Scouts, Cubs, Chard Watch, Chard First Responders and several others. Reverend Georgina Vye delivered the service at St. Marys Church and we were lucky to have favourable weather throughout the parade. Chard Carnival

provided marshals to oversee the road closure and appropriate road signage was in place, which worked well and ensured the safety of those involved.

4.0 D-Day – 06.06.24

Initial plans around D-Day are being put in place, following national guidelines, as outlined on <https://www.d-day80beacons.co.uk/>.

The current outline plans on 6th June 2024 will be as follows:

- 8:00am – Town Crier will read the proclamation from the Guildhall balcony
- 9:00am – Raise the D-Day 80 flag at the Guildhall
- 11:00am – Schools are invited to read a poem – “D-Day Heroes”
- 6:30pm – St. Marys Church bell ringing – “Ringing out for peace”
- 7:00pm – Start of event at the beacon. In the build up to 9:15pm there will also be a variety of stands, exhibits and hopefully some military displays using our gazebos. We are also involving local fish and chip shops who will be offering food to have at the beacon, as it is also the revised “National Fish and Chip Day”. Whites have confirmed a discounted rate.
- 9:15pm – Lighting of the beacon and international tribute to be read

*Example flyer above to be used as lamppost banners.
Other versions to include more info to be produced for online.*

5.0 Town Crier Competition

This is due to take place on Saturday 29th June. There are expected to be 14 Town Criers from across the country competing. This is the second time this event has happened in Chard and the idea is this year we will expand upon last years offering to include other forms of entertainment, including live music and involving local groups such as Chard Majorettes, utilising the planned road closure order.

6.0 Guildhall Newsletter

A second newsletter recently went out to a growing subscriber list, which is currently at 100. This is receiving positive feedback so far and giving increased exposure of events happening at the Guildhall, many of which recipients were previously unaware of. It also shows subscribers the potential of the Guildhall and its associated rooms for hire. Regular Guildhall hirers have been approached to see if they wish to feature and celebrate previous events in future editions of the newsletter.

Chard Market Development Report

Date: 14th May 2024

Purpose of the Report: To provide Members with an update regards plans to develop and reinvigorate Chard Market

Contact Officer: Tim Bickham (tim.bickham@chard.gov.uk)

1.0 CONSIDERATIONS:

1.1 That the report be noted and the recommendations in 3.1 and 3.2 be considered.

2.0 Members of The Chard Market Development task and finish group have had a first meeting to set out initial ideas to expand Chard's current market offering, after there has been an interest in doing so for some time and further supported by responses to the Community Plan.

Some of the suggestions put forward by members included:

- To hold themed markets periodically – examples of this could be a farmer's market, street food market etc.
- Discuss with current market traders their ideas for the market expansion – one of which (The Wife & I Sausage Co.) have already provided input, which was shown to members in the meeting
- The market charter confirms that Chard market can only operate on Tuesdays, Thursdays and Saturdays.
- The available pitch spaces have been mapped out on Fore Street. 18 x 3 metre pitches can be accommodated on the Guildhall side of the road.
- Consider expanding the market in to a car park, such as Boden Street car park – after the space in Fore Street reaches its limit
- Following a previous recommendation Chard Carnival Committee were approached to ascertain if Street Fair stall holders would want to join the market, thereby expanding the market offering and considering holding themed market days periodically. This request was turned away.
- Food vendors should be encouraged to be part of the market, as this will in turn encourage visitors to the market to stay longer and increase footfall
- Members agreed to visit other neighbouring town markets to encourage traders to come to Chard market and present an offer to them as an incentive. Following on from this Officers have a planned visit to Bridport Market on 15.05.24, which will include a meeting with one of NAMBA's (National Association of British Market Authorities) Directors.

2.1 The collection of pitch fees and logistics and management of pitches should be considered, as the number of traders is increased in the market. In the short term this can be supported by members of the Officer team, until a number of traders is reached that would deem it appropriate to employ a dedicated Market Manager, given the increased income.

- 2.2 In the last 11 months (April '23 to February '24) £2,027.90 income was generated through the market.
Having conducted a review of pitch space it appears we are able to accommodate 18x 3 metre pitches and 3x 1 metre pitches (given the spacing between street furniture, disabled access etc.) This is at this stage only taking in to account the Guildhall side of Fore Street, as the opposite sizes poses challenges around roadside parking.
If able to fill all these spaces there is a possibility to generate £15,300 per year (51 weeks). This is a potential income increase of 86% compared to current.
- 2.3 Over the past 12 months we have seen a rise in the number of traders (not all attend regularly). A list of these and their start date from application form are below:
- A Piece of Cake – 28/02/23
 - The Dough Bros – 25/04/23
 - The Wife and I Sausage Company – 19/06/23
 - Brigids Blessings – 17/02/24
 - Baked by Danni – 09/04/24
 - Islebeck Plants – 19/04/24
- 2.4 Love Your Local Market is a worldwide campaign created by NAMBA and delivered in the UK by NAMBA. Love Your Local Market 2024 takes place Friday 17th May to Saturday 1st June 2024. Chard Market is registered with this campaign at the following web link: <https://loveyourlocalmarket.nabma.com/lylm-market/chard-market/>. It is hoped this opportunity will gain more exposure of the market, at no cost, which includes the provision of free online resources.
- 2.5 The following comparison can be noted when looking at neighbouring towns market fees – see Appendix A, which follows.
- 3.1 It is recommended that an offer of reduce pitch fees be considered by council as a way of attracting more traders.
Can members consider offering a 50% reduction to the below fees in 3.2 to apply to a traders first 4 visits to Chard.
- 3.2 Can members consider implementing the below new pitch fees, which have been considered after reviewing fees of that of other markets in neighbouring towns.

*Peak		
	Reg trader	Casual
<2m	£10.00	£15.00
<3m	£15.00	£22.50
<4m	£20.00	£30.00
<5m	£25.00	£37.50
<6m	£30.00	£45.00
6m+	Combine values above according to stall size	

**Off Peak		
	Reg trader	Casual
<2m	£6.00	£10.00
<3m	£9.00	£15.00
<4m	£12.00	£20.00
<5m	£15.00	£25.00

<6m	£18.00	£30.00
6m+	Combine values above according to stall size	

**Peak=1st April-30th September*

***Off Peak=1st October-31st March*

- 3.3 If the above recommendations can be agreed by members this will allow the next steps to be implemented, which will involve approaching other local markets with the offer outlined in 3.1 above. The vision is to grow and expand the current market offering, increasing the footfall in Chard on Saturdays and having a wider range of stalls and local produce. If the Guildhall side of Fore Street can be filled as a first approach then the Task and Finish Group should consider and effect how the market is managed beyond this.
