Chard Town Council Allotments

Chard Town Council is delighted to see that during the current COVID-19 lockdown the residents of Chard have taken to gardening in a big way.

The Mayor Cllr Jason Baker said “It is an excellent way of enjoying fresh air, getting some exercise and ‘growing your own’. In these difficult times finding ways to look after our wellbeing and occupying children can be difficult but the hard work preparing the soil, sowing the seeds and watching plants growing, even weeding, can help and there is always the joy of harvest and eating the vegetables that have been grown”

As part of the renewed passion for horticulture there has been considerable interest in taking on an allotment and all of our plots are now taken.

We are compiling a waiting list so if you would like to add your name please contact us and we will contact you when one becomes available.
