

# CHARD RESERVOIR LNR EVENTS

# BEAUTIFUL BATS

Join the rangers for an evening stroll around Chard Reservoir to discover the fascinating world of bats. Learn about the ecology and behaviour of these nocturnal mammals and discover which species are found at the reserve. We will use bat detectors to help us identify which ones are flying around us.

Suitable for adults and children aged 12 and older, & please wear suitable footwear and clothing for the outdoors. Dogs are not allowed at this event.

We would advise you to bring your own torch too!

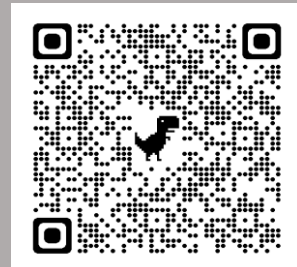

If you have any accessibility requirements please do contact us in advance of booking a place.
